

## Template for Assessing Engagement Time in a Lesson Plan

**Directions:** Use your lesson plan to determine the minutes and percentage of minutes of teacher-led talk and actions and student-led talk and actions.

Segment	Description	Teacher Minutes	Student Minutes
Launch			
New or review information			
Engagement activity (activities)			
Closure			
Total minutes for lesson			
Percentage of teacher minutes for lesson (total minutes for teacher divided by total class minutes, multiplied by one hundred for percentage)			
Percentage of student minutes for lesson (total minutes for student divided by total class minutes, multiplied by one hundred for percentage)
